NEW PIASA CHAUTAUQUA

We are presenting you the program for the forty-sixth season of the New Piasa Chautauqua and cordially invite you to spend your summer with us. We feel that we have much to offer you in the way of a summer rich in possibilities. Chautauqua is a unique resort and no place can you find the environment it offers. We still hold to the traditions and yet are sufficiently up to date to provide entertainment and recreation for all.

Chautauqua is chartered under the laws of Illinois as an educational, religious and recreational association. It is owned by a group of stockholders who elect from their number twelve directors who have entire supervision and management of the grounds. Every dollar of income received is put into repairs and improvements and the necessary expenses of the Chautauqua. The only source of income for the upkeep of the grounds is through admissions, commissions and assessments.

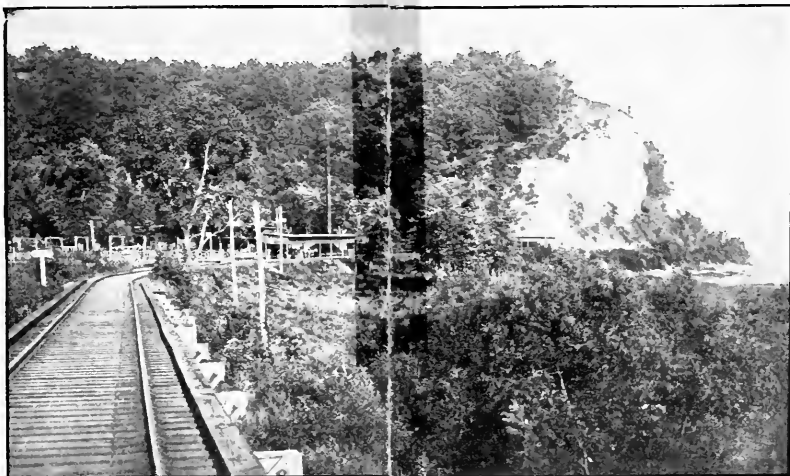

We are Non-Denominational, with no religious or class distinction, and at all times endeavor in a practical

way, to awaken and deepen the spiritual life in its happiest phases, creating a friendly, Christian atmosphere.

The committee have striven to build a program that seems to be the most popular and in keeping with the Spirit of Chautauqua, "a little work, a little play, to keep us going and so good day."

WM. E. CAULFIELD,
JUSTIN T. FLINT,
ROBERT E. MURRAY,
FLORA J. MECHIN, Chairman.

Rev. M. Edwin Johnson will be with us as Dean of Religious Work and Program Manager, and has many good things in store for us. He will have charge of the program and conduct a publicity and information bureau at his headquarters.

ACCOMMODATIONS

The Springs Hotel (Rooms Only) again under the direction of the Ladies' Civic Improvement Association. Rooms by day or week. Apply to Manager, Chautauqua, Ill.

The Trellis will be under the management of Mrs. Dorothy McCurdy and good meals will be served. Mrs. McCurdy will specialize in balanced meals and special menus for children unaccompanied by their parents. She especially caters to Bridge Luncheons and Dinner Parties.

The Cafeteria and Walter Wilson are synonymous. Anything you want—any time you want it—and a cordial greeting from both Mr. and Mrs. Wilson—and real Chautauqua food. Plenty of it.

The Store, with a complete line of groceries, meats, etc., will be conducted by Mr. Harold Bramard, who has catered to the Chautauqua trade for years and is prepared to meet your needs.

The Kings' Daughters for employed women and girls.

Kentucky Home (Rooms and Board) under the same management as last year. Mr. Burnett promises you the best.

The Willard furnished rooms and accommodations for light housekeeping.

The Summer Rest, Women's Christian Association, for employed women and girls.

ATTRACTIONS

The Swimming Pool is always an attraction. An analysis of the water guarantees its purity.

The Inexhaustible Piasa Spring furnishes water for the entire grounds and is one of the beauty spots of Chautauqua.

Recreations. The facilities for fishing and boating have been greatly improved this year. Guests can also enjoy tennis, roque, horse shoes, horseback riding, etc. A new athletic field near the swimming pool will furnish recreation for every taste.

THE LADIES' CIVIC IMPROVEMENT ASSOCIATION

Mrs. Frank Craig, President.

In practically every worth while undertaking the work of women has been conspicuous. This is noticeably so in the history of the New Chautauqua. This group was organized for the purpose of assisting the management and beautifying the grounds. Space forbids the enumeration of the many achievements of this group. But the outstanding one today is The Springs Hotel. At the time our Inn burned there were no accommodations for our guests. These ladies have

been untiring in their efforts to make this hotel comfortable and establish a headquarters for social activities. This year many of the members have taken rooms to furnish for the comfort of the guests. In connection with the hotel we have the Craft House, in charge of Miss Lucy Catlin, who has spent five months this winter at the Home Studio of Fireside Industries, of which she is a graduate. There have always been attractive giftwares on display, but this summer the stock will present new, striking features which you really cannot resist. Miss Catlin has absorbed so much from direct contact with the source of the lovely things you will say as before, "O, everything is just darling!"

THE MEN'S CLUB

Price Shoemaker, President.

This group should be called "The Good Roads Club," for no move at Chautauqua has meant more than the work that has been done to improve the road entering Chautauqua. The funds for this work are derived from the receipts of "The Midway" concession. This body of men deserve credit for the spirit of hospitality and good fellowship that exists among the men and with the new state highway now under construction, this work will stand out as a monument to their efforts.

THE BIRD CLUB

This club was formed for the purpose of studying nature and animal life, and has sponsored the two weeks of nature study we have each year. Every year this work grows bigger and better because it is worth while.

THE ORCHESTRA

Charlie Wyatt, Director.

Our orchestra returns for the third consecutive year and promises better entertainment than ever before. Frank Polansky will be at the piano, "Red" Rosso, drums and singing; Art Altmiller, banjo and guitar; Elmer Smith, saxophone and clarinet, and our Charlie Wyatt, Director, playing the cornet and melophone.
